(*a*) It shall be the duty of the registration officer to cause inquiry to be made and to prepare, or cause to be prepared, lists of all persons within his registration area appearing to be entitled to be registered as electors in the roll for the constituency. The lists shall be prepared in the form prescribed for the roll and shall also contain particulars of the amount of annual income, malikana allowance or assessment as the case may be.

(*b*) The preliminary rolls shall be prepared from those lists and published by posting them in the office of the registration officer not later than the date fixed by the Local Government in this behalf. Copies of the rolls with the notices referred to in clause (*c*) of this regulation shall be issued as a supplement to the District Gazette and made available for sale to the public.

(*c*) With the preliminary roll the registration officer shall publish notices in Form II specifying the time within which claims and objections are to be preferred and the date on which, and the place at which the revising authority will begin to sit for their disposal. The date fixed for the sitting of the revising authority shall not be later than the date fixed by the Local Government in this behalf.

6. Copies of the parts of the preliminary roll relating to each registration area shall be made available for inspection and sale in the office of the registration officer. Complete sets of the rolls of the several registration areas shall be kept in the office of the returning officer for inspection and sale.

Claims and objections.

7. (*a*) Any person who claims to be entitled to be registered as an elector and who is not entered or is entered in an incorrect place or manner or with incorrect particulars, on the preliminary roll, and any person whose name is on the roll and who objects to the inclusion of his own name or of the name of any other person whose name is on the roll may prefer a claim or an objection to the revising authority. Such claim or objection shall be sent to the registration officer so as to reach him on or before the date fixed by the Local Government in this behalf. The claim or objection petition should give full particulars of the qualifications claimed or of the grounds of objection as the case may be.

(*b*) Claims and objections may be preferred in person or sent by post.

(*c*) Claims and objections received after the prescribed date shall be rejected.

8. The registration officer may of his own motion remove from the lists the names of persons whom he has reason to believe to be dead and may correct purely clerical or accidental mistakes and no other.

9. The registration officer shall, not later than the date fixed by the Local Government in this behalf,—

(*a*) publish lists of all claims and objections received in time and of corrections made by him of his own motion in Form III in his office, and

(*b*) send a copy of every notice of objection to the person to whom registration objection has been taken and whenever possible give intimation to the person concerned of the correction made by him of his own motion.

In the lists referred to in clause (*a*) and in the copy and intimation sent under clause (*b*), the registration officer shall give notice that the claims, objections and corrections will be taken into consideration by the revising authority at a place and on a date to be specified therein.

Revising authority.

10. For each registration area, the revising authority shall be the Collector of the district. He shall sit in open office on the day fixed and from day to day until all the claims and objections are disposed of. Orders shall be passed in writing on each claim or objection, with reasons if a claim is rejected or an objection contested. Final orders shall also be passed on the list of corrections made by the registration officer of his own motion.

Final publication of roll.

11. The registration officer shall correct the rolls in accordance with the orders of the revising authority.

12. Two copies of the final roll relating to his registration area shall be signed by each registration officer. One of them shall be kept in his office and the other forwarded to the returning officer.

13. The returning officer shall combine the rolls of the several registration areas and form a complete roll for the constituency. He shall then publish the roll as a supplement to the *Fort St. George Gazette* not later than the date fixed by the Local Government in this behalf

14. Copies of the complete roll (or of the preliminary roll with the lists of additions and corrections) shall be made available for inspection in the offices of the returning and registration officers. Complete sets of the rolls (or of the preliminary rolls with the lists of additions and corrections) for the several registration areas shall be kept in the office of the returning officer for inspection and sale

15. Any notice which is required to be sent by the registration officer under these regulations to any person shall be sufficiently sent if sent by post to the address of that person as given by him for the purpose, or as appearing on the roll, or if there is no such address, to his last known place of abode.

16. On the consideration of any claim or objection or other matter by the revising authority any person claiming to be interested therein may appear and be heard either in person or by duly authorized agent.

MEMORIAL RULES.

Fort St. George, April 12, 1923.

The following Memorial Rules are published for general information :—

A.

RULES REGARDING THE SUBMISSION OF MEMORIALS AND OTHER PAPERS OF THE SAME CLASS TO HIS MAJESTY THE KING, EMPEROR OF INDIA, OR TO THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA.

N.B.—These rules do not in any way affect or supersede orders issued on the same subject by the Military authorities for the guidance of the army

I. No memorial will be received or attended to unless forwarded as hereinafter prescribed.

II. Every memorial to His Majesty or to the Secretary of State for India should contain all material statements and arguments relied upon by the memorialist and be complete in itself; and it should be accompanied by a letter requesting its transmission to the authority to whom it is addressed.

III. Every memorial to His Majesty or to the Secretary of State for India should be presented through the Local Government having jurisdiction in respect of the subject-matter of the memorial. In cases where no Local Government is in a position to deal with the subject-matter of the memorial, it should be presented through the Local Government within whose jurisdiction the memorialist is or has last been residing or employed or, if there is no Local Government answering to these descriptions, then through the Government of India.

The Railway Board is regarded as the Local Government in respect of memorials from persons subordinate to it.

IV. Every memorial to His Majesty or to the Secretary of State for India presented through the Government of Madras, Bombay or Bengal should be forwarded direct by the Local Government, with a full statement of facts and an expression of opinion, except in the case of a memorial which—

(*a*) relates to—

(i) any rule or standing order of the Government of India; or

(ii) any Legislative Proceedings of the Governor-General in Council or an Act to which the Governor-General has assented; or

(iii) a case which has been previously under the consideration of the Government of India whether on appeal or otherwise; or

(*b*) if granted, would cause expenditure for which the Imperial and not the Local Government would be primarily responsible; or

(*c*) contains a prayer for the exercise of the Royal prerogative of pardon.

Every such memorial should be forwarded with a covering letter containing a full statement of facts and an expression of opinion to the Government of India in the proper department for transmission to the Secretary of State for India.

NOTE.—If the memorial contains an application for the suspension or remission of a sentence under Chapter XXIX of the Code of Criminal Procedure, 1898 (Act V of 1898), of which the Local Government is not competent to dispose on its own responsibility under the orders contained in rule VI in paragraph 2 of the Home Department letter No. 11 d-37, dated the 19th September 1918, it should be transmitted to the Government of India and not to the Secretary of State direct.

V. Every memorial to His Majesty or to the Secretary of State for India presented through a Local Government, other than the Government of Madras, Bombay or Bengal, should be forwarded by the Local Government, with a full statement of facts and an expression of opinion, to the Government of India in the proper department for transmission to the authority addressed."

VI. Every memorial to His Majesty or to the Secretary of State for India from a person who has been employed in the army should, if it relates to a military subject, be forwarded through the Army, Divisional or Independent Brigade Commander under whose jurisdiction the memorialist has served. The Army, Divisional or Independent Brigade Commander will forward it, with a full statement of facts and an expression of opinion to the Government of India in the Army Department for transmission to the authority addressed.†

VII. A memorial may be transmitted either in manuscript or in print, but must, with all accompanying documents, be properly authenticated by the signature of the memorialist on each sheet, and must conclude with a specific prayer.

VIII. Memorials, together with their accompanying documents, should be in English.‡ If the accompanying documents must necessarily be forwarded in the Vernacular, an English translation should be appended, which should be attested by the signature of the memorialist.

N.B.—It will be well for the transmitting office to examine such translations, and if they are found to be incorrect or faulty, to notice the fact in sending on the memorial.

IX. It is not necessary that memorials should be forwarded in duplicate or triplicate. The originals will invariably be transmitted to England, a copy being made and retained by the Government of India, if necessary, for record.

X. As a general rule, the transmission to England of a memorial duly forwarded through the proper channel should not be delayed by the transmitting Government in India, beyond a month after the receipt of the memorial.

XI. The Governments in India are vested with discretionary power to withhold the transmission of memorials addressed to His Majesty or to the Secretary of State for India in the following cases:—

(1) When a memorial is illegible or unintelligible.

(2) When a memorial contains disrespectful or improper language.

(3) When a second memorial is presented after a decision has already been given by the authority to which it is addressed, and when no new facts or circumstances are adduced which afford grounds for a reconsideration of the case. A memorial addressed to His Majesty by a person whose appeal to the Secretary of State for India has already been rejected, shall be held to be a second memorial to the same authority, and shall not be transmitted.

(4) When a memorial is a mere application for relief, pecuniary or other, which is presented by a person manifestly possessing no claim or advancing a claim of an obviously unsubstantial character, or is so belated that its consideration is clearly impossible.

(5) When a memorial is an application for employment under one of the Governments in India from a person not in the service of the Government or is a request for exemption from the provisions of any law or rule prescribing the qualifications to be possessed by persons in the service of Government or by persons engaging in any profession or employment.

(6) When a memorial is an appeal against the discharge of a person appointed in India on probation, if his discharge was ordered before the termination of his probation.

(7) When a memorial is a mere appeal from a judicial decision.

Note.—If the memorial is practically an application for the suspension or remission of a sentence under Chapter XXIX of the Code of Criminal Procedure, 1898 (Act V of 1898), or contains such an application, it must be transmitted unless it falls under Rule XII, or unless the case is one of which the Local Government or the Government of India are competent to dispose on their own responsibility under the orders contained in the Home Department letter No. 3120-37, dated the 19th September 1919.

---

* Appeals by private persons from the orders of Lieutenant-Governors or Chief Commissioners lie, in the first instance, to the Governor-General in Council. An appeal to the Secretary of State will lie only in the event of an appeal to the Governor-General in Council having been rejected.

† Appeals by individuals from the orders of the Army, Divisional or Independent Brigade Commanders lie, in the first instance to the Governor-General in Council and thereafter to the Secretary of State.

‡ "As it frequently happens that the disposal of vernacular petitions presented to the Government of India is delayed owing to their being unaccompanied by English translations, and as Local Governments and Administrations have greater facilities for translating the vernacular in use under their different provinces than the Government of India have, I am directed to request that, in order to avoid inconvenience and delay, all vernacular petitions transmitted by a Local Government and Administration to the Government of India may invariably be accompanied by an English translation.

"2. It should, however, be clearly understood that it is not the intention of the Governor-General in Council that any petition presented for transmission to the Government of India or the Secretary of State should be refused by reason of its being in the vernacular or because it is unaccompanied by a translation. The great majority of the population do not know English, and cannot obtain the services of an English petition-writer; and it is most undesirable that in a country like India the free right of petition should be curtailed. But as the languages of India are many and diverse, it is desirable that any vernacular petition or memorial forwarded to supreme authority by or through a Local Government should be accompanied by an English translation."—Home Department No. 64-2086-25 (Public), dated 31st November 1925.

(8) * When a memorial is an appeal against the appellate order of a Local Government upholding a decision directing the dismissal, removal, reduction or other punishment of a Government servant or an employee of a local authority whose salary was less than Rs. 250 a month; or when it is an appeal against the order of the Government of India upholding an appeal a decision directing the dismissal, removal, reduction or other punishment of a Government servant or an employee of a local authority whose salary was less than Rs. 500 a month.

NOTE 1.—If the appellate order of the Local Government or the Government of India modifies the order appealed against to the disadvantage of the appellant such appellate order should, for the purposes of this rule, be regarded as an original order of the Local Government or the Government of India and the appeal should be transmitted.

NOTE 2.—The Local Government or the Government of India should, for the purpose of this rule, be considered to have upheld a decision if it modifies the order appealed against to the advantage of the appellant.

NOTE 3.—The words "appellate order" include any order passed on revision.

NOTE 4.—For the purposes of the latter part of this rule, an order of the Government of India upholding a decision of the Railway Board should be regarded as an original order of the Government of India, and the appeal should be transmitted.

(9) When a memorial is an appeal against a decision, which by any law or rule having the force of law, is declared to be final.

(10) When a memorial is addressed by an officer still in the public service and has reference to his prospective claim to pension.

(11) When a memorial is a mere appeal against the non-exercise by one of the Governments in India of a discretion vested in such Government by law or rule.

(12) When a memorial is an appeal against the action of a private individual, or of a body of private individuals, regarding the private relations of the memorialist and such individual or body

(13) When a memorial is an appeal against the order of a Local Government or of the Government of India refusing to grant or to recommend a special pension or any pecuniary or other concession not claimable under any law or rule, or a compassionate pension, unless in the last case the memorial is from an officer dismissed or removed from Government service, who under these rules has a right of appeal against the substantive order of dismissal or removal.

(14) When a memorial makes a proposal regarding legislation which a Local Government or the Government of India are not prepared to support.

(15) When a memorial is an appeal preferred more than six months after the date on which the memorialist was informed of the orders against which he appeals, provided that a Local Government or the Government of India may, at their discretion, extend the period to twelve months, if the delay will facilitate a settlement of the dispute or other good cause is shown.

Provided that, subject to what is said in clauses (1), (2), (3) and (15), no appeal to the Secretary of State by an officer appointed by him, irrespective of the rate of pay drawn, shall be withheld when the appeal involves a question of the interpretation of the terms of the officer's engagement.

XII. The Government of India may withhold the transmission of a memorial to His Majesty or to the Secretary of State for India, if the memorialist has not previously memorialised the Government of India and the Local Government concerned on the same subject; provided that when a memorial contains a prayer for the exercise of the Royal prerogative of pardon and is addressed to His Majesty, it must be transmitted to the Secretary of State for India, unless His Excellency the Viceroy thinks fit to grant the prayer in virtue of his authority to exercise this prerogative on His Majesty's behalf, or unless the memorial is from a convict under sentence of death in which case it may be dealt with in the same way as a memorial falling under the provisions of the note to Rule XI (7).

The Government of Madras, Bombay or Bengal may withhold the transmission of a memorial which under Rule IV they are authorized to forward direct, if the memorialist has not previously memorialised the Local Government concerned on the same subject.

XIII. When a memorial is withheld the memorialist should be informed of the fact and of the reason for it.

XIV. A list of memorials withheld under the discretionary power conferred by rules XI and XII, with the reasons for withholding them, will be forwarded quarterly to the Government of India in the case of memorials withheld by Local Governments and by the Government of India in the department concerned to the Secretary of State for India.

---

* "The Governor-General in Council considers that the discretionary power of withholding petitions under clause 4, Rule XIII of the Rules for the submission, receipt, and transmission of memorials and other papers of the same class addressed to His Majesty the King, Emperor of India, or to the Right Honourable the Secretary of state for India, by private persons or by officers of all Civil Departments, should be used with caution, and only after full consideration of the facts in each case. Having regard to the constitution and character of the Indian subordinate services, dismissal of Government officials often involves serious distress, if not actual ruin, to them, and it is right that under such circumstances, every opportunity should be allowed to them of making themselves heard. Further when, as sometimes happens, their representations reach the Secretary of State through non-official channels, it is convenient that he should be in a position at once to deal with them, instead of being obliged, as may now be the case, to refer for information to this country. Such petitions, therefore, should not be withheld when there is any reasonable prospect of deference of opinion on the case under appeal on them by the Government of India, or when they contain anything to which the attention of the Secretary of State is likely to be especially directed."—Home Department Resolution No. 1438 (Public) dated 24th September 1880.

New numbered clause 8 Rule XI.

B

RULES REGARDING THE SUBMISSION OF PETITIONS TO THE GOVERNMENT OF INDIA.

General Explanations.

1. In these rules the words "Local Government" include a local Administration and the Commander-in-Chief in India, and also, except as regards petitioners under rule 13 (3) whose salary was more than Rs. 30 a month, the head of a department directly under the Government of India, and Army, Divisional and Independent Brigade Commanders.

2. These rules do not apply to non-pensionable subordinate, clerical and menial establishments employed in the construction and working of State Railways, to whom Circular No. VI Railway, Public Works Department, dated the 1st June 1888, applies.

3. These rules apply, so far as may be, to all memorials, letters and applications, etc. addressed to the Governor-General in Council.

4. These rules apply also to petitions by persons no longer in military employ who have served in the Army or the Royal Indian Marine, or have been attached to regiments or batteries or the staff or departments of the Army in any capacity.

SECTION I.

As to the submission of petitions to the Government of India by private persons or public bodies.

1. Every petition to the Government of India should be forwarded through the Local Government having jurisdiction in respect of the subject-matter of the petition. In cases where no Local Government is in a position to deal with the subject-matter of the petition, it should be forwarded through the Local Government within whose jurisdiction the petitioner is or has last been residing or employed.

The Railway Board is regarded as the Local Government in respect of memorials from persons subordinate to it.

2. A petition may be either in manuscript or in print, but must, with all accompanying documents, be properly authenticated by the signature of the petitioner, or, when the petitioners are numerous, by the signatures of one or more of them, and it must conclude with a specific prayer.

3. Every petition should be accompanied by a letter addressed to the Local Government requesting its transmission to the Government of India, and, when any order of a Local Government is appealed against, by a copy of such order, as well as of any orders passed in the case by subordinate authorities.

4. Communications on matters connected with any Bills before the Indian Legislative Assembly may be addressed either in the form of a petition to the Governor-General in Council or in a letter to the Secretary in the Legislative Department, and must in either case be sent to the Secretary in the Legislative Department. Ordinarily such communications will not be answered. Except in the case of the High Court at Fort William, such communications from Courts, officials or public bodies should be sent through the Local Government.

SECTION II.

*As to the submission of petitions by officers in civil employ**

5. Every officer in civil employ wishing to petition the Government of India should do so separately.

6. Every petition from an officer in civil employ should be submitted through the head of the office or department to which the petitioner belongs or belonged, and should be forwarded by him through the usual official channel.

7. No officer in civil employ may submit a petition in respect of any matter connected with his official position unless he has some personal interest in the matter.

8. No notice will be taken of a petition relating to any matter connected with the official prospects or position of an officer in civil employ unless it is submitted by the officer himself.

SECTION III.

As to the transmission or withholding of petitions by Local Governments.

9. Every petition to the Government of India should be forwarded by the Local Government concerned with a concise statement of the material facts and (unless there are special reasons for not doing so) an expression of opinion.

If the petition is an appeal against an order of dismissal from Government service, the papers submitted by the Local Government should show whether the charge against the petitioner was reduced to writing; whether his defence was taken and reduced to writing; and whether the decision was in writing. Where service or character books are maintained these also should be submitted.

* NOTE (1).—The term "civil employ" includes employment by a local authority.

NOTE (2).—For the purposes of the rules in this section a petitioner is considered to be an "officer in civil employ" if he has been previously in civil employ and if his petition relates to any matter connected with his position while in such employ or the circumstances in which he left it.

10. When the petition is not in English the Local Government should transmit a translation with it.

11. Local Governments are vested with discretionary power to withhold petitions addressed to the Government of India in the following cases :—

(1) When a petition is illegible or unintelligible.

(2) When a petition contains language which, in the opinion of the Local Government, is disloyal, disrespectful or improper.

(3) When a previous petition has been disposed of by the Secretary of State for India or the Governor-General in Council, and the petition discloses no new facts or circumstances which afford grounds for a reconsideration of the case.

(4) When a petition is a mere application for relief, pecuniary or other, which is presented by a person manifestly possessing no claim or advancing a claim of an obviously unsubstantial character, or is so belated that its consideration is clearly impossible.

(5) When a petition is an application for employment from a person not in the service of Government: or is a request for exemption from the provisions of any law or rule prescribing the qualifications to be possessed by persons in the service of Government or by persons engaging in any profession or employment.

(6) When a petition is an appeal against the discharge of a person appointed in India on probation, if his discharge was ordered before the termination of his probation.

(7) When a petition is an appeal from a judicial decision with which the executive has no legal power of interference.

NOTE.—In the following cases, namely—

(a) when a petition is an appeal from a judicial decision in a case in which the Government has reserved any discretion of interference, or

(b) when a petition is an appeal from a judicial decision in a suit to which the Government was a party, or

(c) when a petition is practically a prayer for mercy or pardon, or contains such a prayer, the petition must be transmitted to the Government of India, unless it falls under clause (16) of this rule, or unless it is a petition of the kind referred to in clause (c) and the case is one of which the Local Government is competent to dispose on its own responsibility under the orders contained in the Home Department letter No. 2138-1137, dated the 10th September 1918.

(8) When a petition is an appeal against the appellate order of a Local Government upholding a decision directing the dismissal, removal, reduction, or other punishment of a Government servant or an employee of a local authority whose salary was less than Rs. 250 a month.

NOTE 1.—If the appellate order of the Local Government modifies the order appealed against to the disadvantage of the appellant such appellate order should, for the purposes of this rule, be regarded as an original order of the Local Government and the appeal should be transmitted.

NOTE 2.—The Local Government should for the purposes of this rule be considered to have upheld a decision if it modifies the order appealed against to the advantage of the appellant.

NOTE 3.—The words "appellate order" include any order passed in revision.

(9) When a petition is an appeal against the order of a Local Government refusing to grant or to recommend a special pension or any pecuniary or other concession not claimable under any law or rule, or a compassionate pension, unless in the last case the petition is from an officer dismissed or removed from Government service, who under these rules has a right of appeal against the substantive order of dismissal or removal.

(10) When a petition is an appeal against a decision which by any law or rule having the force of law is declared to be final.

(11) When a petition is addressed by an officer still in the public service and has reference to his prospective claim for pension, except as provided in article 915 of the Civil Service Regulations.

(12) When a petition is an appeal against the non-exercise by the Local Government of a discretion vested in it by law or rule.

(13) When a petition is an application in a case for which the law provides a different or specific remedy, or in regard to which the time limited by law for making the application has been exceeded.

(14) When a petition is an appeal against an order or decision of the Local Government, and is made more than six months after the communication of such order or decision to the petitioner without satisfactory explanation of the delay.

(15) When a petition relates to a subject on which the Local Government is competent to pass orders and no previous application for redress has been made to the Local Government.

(16) When a petition makes a proposal regarding legislation which the Local Government is not prepared to support.

(17) When the petition refers to matters in which the petitioner has not a direct personal interest, unless it is a petition of the kind described in the note to clause (7).

12. If a petition is withheld, the petitioner should be informed of the fact and the reason for it.

13. A list of petitions withheld under rule 11, with the reasons for withholding them shall be forwarded quarterly to the Government of India in the proper department.

C

RULES RELATING TO THE SUBMISSION AND RECEIPT OF PETITIONS AND OTHER PAPERS OF THE SAME CLASS ADDRESSED TO THE GOVERNMENT OF FORT ST. GEORGE.

I. (1) Any person having cause of complaint against any servant of Government shall, in the first instance, seek redress from the local authority who, if unable to grant the redress sought, shall pass an order in writing to that effect. If dissatisfied with this decision, the petitioner shall be at liberty to address the Board of Revenue, Court, or other superior authority, by which the local authority is controlled; or he may address the Government, in cases wherein there is no such controlling authority.

(2) Petitions containing complaints against military officers should be addressed to the General Officer Commanding the local division of the Army.

II. (1) The Government will not receive a petition on any matter, unless it shall appear that the petitioner has first applied to the local authority, and also to the Board of Revenue or other controlling authority, where such exists. The petitions addressed to such local and controlling authorities, or copies of them and the answers or orders of those authorities, respectively, if any shall have been passed, must be annexed to the petition addressed to Government.

(2) Petitions from persons who have been employed in the Army should, if they relate to a military subject, be addressed to the General Officer Commanding the local division of the Army.

III. In order to enable the Government to enforce the foregoing rules without injustice or hardship to complaining parties, all heads of offices will understand that a party affected by an order is entitled to have, on application, a copy of such order which, in all cases except those where no appeal lies, should contain a statement of the grounds of the decision. This is to be furnished to him on plain paper and without payment.

IV. Government will receive petitions only from principals; communications running in the name of a vakil or agent will receive no attention. Anonymous petitions will be totally disregarded.

V. As the Governor in Council never interferes with the distribution of subordinate appointments, applications for situations in the gift of heads of departments will remain unnoticed.

VI. Applications from unpassed candidates wishing to obtain appointments in the public service and praying for exemption from the examination rules must be made to the head of the department which they wish to enter.

VII. Every officer wishing to petition the Government should do so separately.

VIII. No officer may submit a petition in respect of any matter connected with his official position unless he has some personal interest in such matter.

IX. Every petition must be submitted through the head of the office or department to which the petitioner belongs or belonged.

X. (1) The head of the office or department shall, unless empowered under Rule XV or XVI to return or withhold it, at once forward the petition to the Government through the ordinary official channel, and may make such remarks, as he may consider necessary in regard to the accuracy of the statements made and inferences drawn in the petition; he will also forward such records, not submitted by the appellant, as should properly be consulted in order to the due disposal of the petition.

(2) If the petition is an appeal against an order of dismissal from Government service, the papers submitted by the head of the office or department should show whether the charge against the petitioner was reduced to writing; whether his defence was taken and reduced to writing; and whether the decision was in writing. Where service or character books are maintained these also should be submitted.

XI. (1) Every petition from an inhabitant of a Native State under the political control of the Madras Government must be submitted through the British Resident or Political Officer of the State in which the petitioner resides.

(2) The Resident or Political Officer will forward the petition to the Government of Madras with such report on the case as may be necessary.

XII. Petitions from the Carnatic stipendiaries, or on the subject of Carnatic stipends, should be submitted through the Paymaster, Carnatic Stipends.

XIII. Petitions from Political pensioners other than Carnatic stipendiaries and from Kandyan pensioners, or on the subject of Political pensions other than Carnatic, should be submitted through the Government Agent or the Collector of the district in which the petitioners reside.

XIV. Petitions addressed to Government will be liable to summary rejection in the following cases:—

(1) When a petition is illegible or unintelligible.

(2) When a petition contains language which, in the opinion of Government, is disloyal, disrespectful or improper.

(3) When a previous petition has been disposed of by the Madras Government, the Governor-General in Council, or the Secretary of State and the petition discloses no new facts or circumstances which afford grounds for a reconsideration of the case.

(4) When a petition is an application for pecuniary assistance by a person manifestly possessing no claim.

(5) When a petition is a request for exemption from the provisions of any law or rule prescribing the qualifications to be possessed by persons in the service of Government or by persons engaging in any profession or employment.

RULES REGARDING THE SUBMISSION OR WITHHOLDING BY LOCAL GOVERNMENTS OF ADMINISTRATIONS AND BY OFFICERS OF THE POLITICAL DEPARTMENT OF THE GOVERNMENT OF INDIA, OF PETITIONS, MEMORIALS, AND OTHER PAPERS OF THE SAME CLASS, RELATING TO MATTERS AFFECTING PERSONS OR PLACES UNDER THEIR POLITICAL CHARGE, WHEN SUCH PETITIONS OR OTHER PAPERS ARE ADDRESSED TO THE GOVERNMENT OF INDIA, TO HIS MAJESTY THE KING, EMPEROR OF INDIA, OR TO THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA.

I.—Memorials, etc., addressed to the Government of India.

1. Every memorial must be submitted to the Political Officer of the State, within whose jurisdiction the subject-matter has arisen, accompanied by a copy of the order appealed against and by a letter requesting its transmission to the authority to which it is addressed.

2. Memorials may be transmitted either in manuscript or in print, but must, with all accompanying documents, be properly authenticated by the signature of the memorialist on each sheet.

3. Subject to the exceptions hereinafter contained, every memorial received which conforms to the above rules should be forwarded by the Political Officer through the usual official channel, with a concise statement of *material facts*, and, unless there be special reasons to the contrary, an expression of opinion.

4. Memorials, together with their accompanying documents, should be in English. If the accompanying documents must necessarily be forwarded in the vernacular, an English translation should be appended, which should be attested by the signature of the memorialist on each sheet.

N B.—The transmitting officer should examine such translations and, if they are found to be incorrect or faulty, notice the fact in sending up the memorial.

5. Every memorial should be accompanied by copies of all the orders passed in the case by the authorities who have dealt with it in India.

6. Local Governments, Administrations, and Political Officers in direct subordination to the Foreign Department of the Government of India are vested with discretionary power to withhold memorials addressed to the Government of India in the following cases :—

(1) When the memorial is illegible or unintelligible.

(2) When the memorial contains language which, in the opinion of the authority who would otherwise forward it, is disloyal, disrespectful, or improper.

(3) When a previous petition of the memorialist (which term includes a rejoinder submitted by the memorialist in answer to a previous petition of some other party) has been disposed of by the Secretary of State or the Governor-General in Council, and the petition discloses no new facts or circumstances which afford grounds for a reconsideration of the case.

(4) When the memorial relates to a matter which is within the competence of the Local Government, Administration, or Political Officer to dispose of, and no application has previously been made to such Government, Administration, or Political Officer for redress.

(5) When the memorial is an appeal preferred more than six months after the date on which the memorialist was informed of the orders against which he appeals, provided that the Local Government, Administration, or Political Officer as the case may be, may, at their or his discretion, extend the period to twelve months, if the delay will facilitate a settlement of the dispute, or other good cause is shown.

(6) When the memorial refers to matters in which the memorialist is not personally interested.

7. Provided they do not contravene the conditions specified in the preceding section, memorials which are appeals against orders passed by Local Governments, Administrations, and Political Officers in direct subordination to the Foreign Department of the Government of India, in the exercise of political control in territories not included in British India, shall be forwarded, except in the following cases in which a discretionary power to withhold the memorials may be exercised :—

(2) When the order appealed against is a mere refusal to exercise political control in regard to a judgment or order of any special Court established by the Governor-General in Council in such territories, from which Court there is, by its constitution, no appeal, though a general political control over it is declared or understood to exist.

(3) When the order appealed against is a mere refusal to interfere in a matter of purely internal policy with the action or orders of the Ruler of a Native State, of which the memorialist is a subject: provided that the State is one in which it is not customary for the British Government to intervene in matters of internal policy, and that the matter complained of does not disclose a state of misrule so gross that the paramount power would be called upon to interfere.

N B.—This rule applies to a temporary Administration established in a Native State by the Governor-General in Council when the temporary Administration is appointed to exercise the same powers and occupy the same position as the Native Administration which it supersedes.

8. Memorials from persons,* in such territories which are not covered by these rules, may be treated under the memorial rules of the Home Department when they are applicable.

* E.g., petitions from Government servants about dismissal, pensions, etc.

9. The following special rules apply to the case of appeals against the orders of the Government of Bombay :—

---

* *Note to Rule 7 (1) of Statutes I and II.*—Memorials which are practically appeals for mercy or pardon must be transmitted. But their transmission will not affect the discretion in regard to capital sentences allowed to Local Governments, Administrations and Political Officers by the Foreign and Political Department Circular No. 18-C., dated the 13th January 1917.

(b) Giras cases in States below class IV in which the decision of the Agent to the Governor, Kathiawar, is at present final under the rules sanctioned in Government Resolution No. 6511, dated the 18th November 1898, subject to the general political control of the Local Government.

II.—Memorials, etc., addressed to His Majesty the King, Emperor of India, or to the Secretary of State for India.

1. Every memorial must be submitted to the Political Officer of the State within whose jurisdiction the subject-matter has arisen, accompanied by a copy of the order appealed against and by a letter requesting its transmission to the authority to which it is addressed.

4. Memorials together with their accompanying documents, should be in English. If the accompanying documents must necessarily be forwarded in the vernacular, an English translation should be appended, which should be attested by the signature of the memorialist on each sheet.

N.B.—The transmitting officer should examine such translations, and if they are found to be incorrect or faulty notice the fact in sending on the memorial.

5. Every memorial should be accompanied by copies of all the orders passed in the case by the authorities who have dealt with it in India.

(4) When the memorialist has not previously appealed to the Government of India (or the Government of Madras, Bombay or Bengal, as the case may be), and received the decision of the Governor-General (or Governor in Council) upon it.

(5) When the memorial is an appeal preferred more than six months after the date on which the memorialist was informed of the order against which he appeals, provided that the Local Government, Administration, or Political officer, as the case may be, may, at their or his discretion, extend the period to twelve months, if the delay will facilitate a settlement of the dispute, or other good cause is shown.

(6) When the memorial refers to matters in which the memorialist is not personally interested.

(7) When the memorial is in effect an appeal in a boundary case between Native States in which the decision, original or appellate, of the Political Officer, has been passed after enquiry on the spot and confirmed on appeal by the Local Government, Local Administration or the Government of India, as the case may be.

(8) Cases which turn entirely on questions of fact, where the Political Officer and Local Government or Local Administration are in agreement.

7. Provided they do not contravene the conditions specified in the preceding section memorials which are appeals against orders passed by the Governor-General in Council (or Governor in Council in Madras, Bombay and Bengal, as the case may be), in the exercise of

(3) When the order appealed against is a mere refusal to interfere in a matter of purely internal policy with the action or orders of the Ruler of a Native State, of which the memorialist is a subject: provided that the State is one in which it is not customary for the British Government to intervene in matters of internal policy, and that the matter complained of does not disclose a state of misrule so gross that the paramount power would be called upon to interfere.

N.B.—This rule applies to a temporary Administration established in a Native State by the Governor-General in Council when the temporary Administration is appointed to exercise the same powers and occupy the same position as the Native Administration which it supersedes.

REMITTANCES—BY MUNICIPAL COUNCILS THROUGH POSTAL MONEY ORDERS OBTAINED BY CHEQUES ON THE IMPERIAL BANK OF INDIA OR THE TREASURY—APPROVED.

No 330.—In many of the municipal towns in the Presidency, payments have frequently to be made to firms and parties in outstations on account of supplies received or services rendered. Remittances have been generally made by postal money orders. The money required in each case has, according to the present arrangement, to pass through several hands (i. e.), it has to be drawn by the Chairman from the treasury or bank by cheques obtained through messengers, kept in the office till arrangements are made for remittance and then sent to the post office with the money order forms. In order to simplify the procedure and to avoid the possibility of fraud and temporary misappropriation, the following system of obtaining money orders by cheques is suggested for the guidance of local bodies.

2. Whenever Municipal Councils have to make remittances to firms and parties in outstations the Chairman should issue cheques on the treasury or on the branch banks of the Imperial Bank of India for the amounts to be remitted by means of money orders including commission and should present the cheques at the post office together with the money orders. The Postmaster will accept the cheques and credit the amounts noted in the cheques to value and commission on money orders issued by per contra debit in "remittances to treasury" and the cheques will be sent to the treasury on the same day with the treasury pass book to have the debit accepted by the Treasury Officer.

Fort St. George, April 5, 1923 (G.O. No. 793, L. & M.).

DELEGATION—POWERS UNDER SECTION 61 (2) OF THE MADRAS DISTRICT MUNICIPALITIES ACT, 1920—TO WITHDRAW ANY STREET, SEWER, ETC., IN ALL MUNICIPALITIES—WITHDRAWN FROM THE BOARD OF REVENUE AND DELEGATED TO COLLECTORS.

No. 881.—In G.O. No. 174, L. & M., dated 28th January 1921, the Government delegated to the Board of Revenue their power under sub-section (2) of section 61 of the Madras District Municipalities Act, 1920, to withdraw, by notification, any street sewer, drain, drainage work, tunnel or culvert in a municipality from the control of the municipal council. In modification of this Government Order, the Government delegated this power to Collectors of certain districts in respect of certain municipalities only in G.Os. No. 1951, L. & M., dated 6th October 1921 and No. 1540, L. & M., dated 31st August 1922. The Government now consider that in respect of the remaining municipalities also this power under sub-section (2) of section 61 of the Madras District Municipalities Act, 1920, may be delegated to Collectors of the districts concerned instead of to the Board of Revenue. The appended notification will accordingly be published in the *Fort St. George Gazette* in English and in English and in the vernacular in the District Gazettes.

2. The Senior Translator to Government will arrange for the translation of the notification in Tamil, Telugu, Malayalam and Kanarese and forward the same to the Superintendent, Government Press, for publication in the District Gazettes.

3. Any municipal council that is not satisfied with the decision of the Collector may bring the matter to the notice of the Government.

NOTIFICATION.

Under section 363 of the Madras District Municipalities Act, 1920, and in modification of notification No. 86 published on page 43 of Part I-A of the *Fort St. George Gazette*, dated 1st February 1921, as amended by notifications No. 1067, dated 11th October 1921 and No. 615, dated 29th August 1922, the Government are pleased to withdraw from the Board of Revenue and to delegate to Collectors of districts their power under sub-section (2) of section 61 of the said Act to withdraw any street, sewer, drain, drainage work, tunnel or culvert from the control of the municipal councils within their districts.

Second batch ..	10 a.m. to 10-30 a.m.	10-40 a.m. to 12-10 p.m.	11 a.m. to 11-30 a.m.	11-40 a.m. to 1-40 p.m.	1-50 p.m. to 5 p.m.	2-40 p.m. to 4-40 p.m.
Third batch ..	12-30 p.m. to 1 p.m.	1-10 p.m. to 2-40 p.m.	2 p.m. to 2-30 p.m.	2-40 p.m. to 4-40 p.m.	....	....
Fourth batch ..	3 p.m. to 3-30 p.m.	3-40 p.m. to 5-10 p.m.	....	....	....	....

N.B.—*No candidate will be allowed to leave his seat in the interval between the first and second papers.*

In the case of the *Elementary* examination, candidates of the first and the second batches will not be allowed to leave the examination hall until 12-10 p.m., and no candidate for the third and fourth batches coming after this hour will be admitted to the examination. For the *Intermediate* examination, candidates of the first batch will not be allowed to leave until 10-40 a.m., and no candidate for the second and third batches coming after this hour will be admitted. Similarly for the *Advanced* examination, candidates of the first batch will not be allowed to leave until 1-10 p.m., and no candidate for the second batch coming after this hour will be admitted. Candidates that have each a separate machine and that do not want to be examined in batches are expected to appear for their examination with the third batch for the Elementary, and with the second batch for the Intermediate and Advanced examinations.

Managers and instructors of institutions concerned will be allowed into the examination rooms *in the intervals between the examinations of the various batches* to inspect the machines and to remedy any defects.

If a candidate reports to the Superintendent that his machine has gone out of order, the Superintendent will intimate this to the manager or instructor if he is waiting outside on the premises, and will permit such manager or instructor to enter the hall or room (though the candidates may be at work) to inspect the machine and to remedy the defect or to supply another machine. It must, however, be clearly understood that the Superintendent incurs no responsibility in the matter; his action will be purely *ex gratia*, the whole responsibility resting on the candidate and the manager or instructor.

A similar concession will be allowed in the case of a private candidate if he has some one outside who is willing to inspect the machine and put it right, etc.

No extra time will be given to candidates to compensate for loss of time while the machine is out of order and being put right.

ORAL AND PRACTICAL EXAMINATIONS.

It is hereby notified that the arrangements made for the conduct of the Oral and Practical Examinations for the several subjects under the different groups will be published in the *Fort St. George Gazette*, from time to time, the subjects, centres, etc., to which the arrangements relate being specified. In all cases for which no arrangements are notified in the Gazette, the necessary information can be obtained from the Chief Superintendents of the Written Examination concerned.

Candidates in *all* the subjects must bring with them for use in the examination their own PENS AND PENCILS. Candidates are also informed that they must bring their drawing instruments with them for those subjects which require plans to be copied or scales and diagrams to be drawn. The drawing paper required will be supplied to them at the examination.

Candidates in *Surveying and Levelling (Advanced grade only)* will be allowed to bring with them their mathematical tables for use in the examination.

Candidates in carpentry, and any other subject, the practical examination in which requires the use of tools, etc., must bring their own tools, etc., with them.

Candidates in Book keeping, Commercial Geography, Shorthand and Type-writing will be expected to bring with them for use in the examination hall their own rulers, erasers, knives, pencils and pens.

Candidates for examination in the subjects under "Commerce" will be allowed also to bring with them ink of two or more colours (other than black ink) for map-drawing, drawing lines in Book keeping, etc.

Candidates in shorthand will be allowed to transcribe their shorthand notes with a type-writer. The use of carbon paper will on no account be allowed in transcribing the shorthand notes with a type writer. If the machine used by a candidate, however, goes out of order, no extra time will be given to him to compensate for loss of time while the machine is out of order and being put right.

Candidates in type writing will have to bring their own type-writers also and the necessary carbon paper with them and must specify clearly on their answer papers the particular kind of machine used by them so, otherwise, their answer papers will not be valued.

No candidate suffering from any contagious disease will be admitted to the examination room.

2. No candidate will be allowed to quit the examination room on any day until the expiration of half an hour from the time fixed for the commencement of the examination, and candidates arriving after the expiration of that half hour will not be admitted.

3. No candidate will be allowed to re-enter the examination room during the hours of examination after once quitting it, nor to leave the room without finally giving up his answer papers.

4. Any candidate detected in speaking to, or in any way communicating with, any other candidate will be at once removed from the room and the circumstance reported to the Commissioner.

5. Any candidate who does not behave properly towards the Chief and Assistant Superintendents of the examination or is suspected of having had recourse to malpractice of any kind is liable to have his examination invalidated and also to be debarred from appearing again for any of the examinations under the control of the Commissioner for such term of years as the Commissioner may think fit; or, *if the Commissioner is not satisfied for any reason whatever as to the trustworthiness of his results*, he may be required to undergo a re-examination at some future date to be fixed by the Commissioner.

in any one or more of the subjects of the examination for which he appeared, his success or failure being determined on the results of such re-examination.

6. *No candidates will, on any account, be allowed to take into the examination room ink, slates, books, ruled sheets, manuscripts or papers of any kind.* Any one detected in the violation of this rule or having recourse to any unfair practices, will be removed from the room, and the occurrence reported to the Commissioner. The use of mathematical instruments for drawing figures or ruling lines will, however, be allowed.

7. 8. Candidates choosing to change their place of examination without previous permission, or appearing at any centre other than the one at which they ought to have appeared according to the notice published in the Gazette, must not expect to have their papers valued or their results published. In all cases where permission has been granted, the memorandum or letter permitting the change should be produced for the satisfaction of the Superintendents.

9. Candidates may have to write their answers on both sides of the paper supplied to them and they will receive the necessary instruction on this point in the examination hall from the Chief Superintendent at the examination.

10. A candidate having completed his paper will rise from his seat and remain standing until the Superintendent takes his answer papers. Any candidate wishing to ask any question of the Superintendent will pursue the same course, but will on no account leave his place.

Incidence of taxation.

95. (1) Save as otherwise expressly provided in the notification imposing the tax, every tax on the annual value of buildings or lands or of both shall be leviable primarily upon the actual occupier of the property upon which the said tax is assessed, if he is the owner of the buildings or lands or holds them on a building or other lease from the Secretary of State in Council or from the Cantonment Authority or on a building lease from any person.

(4) An occupier who makes any payment for which he is not primarily liable under this section shall, in the absence of any contract to the contrary, be entitled to be re-imbursed by the person primarily liable for the payment.

(3) The objections shall be inquired into and investigated, and the persons making them shall be allowed an opportunity of being heard either in person or by authorised agent, by an Assessment Committee appointed by the Cantonment Authority.

(1) When all objections made under section 68 have been disposed of, and the revision of the valuation and assessment has been completed, the assessment list shall be authenticated by the signature of the members of the Assessment Committee who shall, at the same time certify that they have considered all objections duly made and have amended the list so far as is required by their decisions on such objections.

(2) The assessment list so authenticated shall be deposited in the office of the Cantonment Authority and shall there be open, free of charge, during office hours to all owners, lessees and occupiers of property comprised therein or the authorised agents of such persons, and a public notice that it is so open shall forthwith be published.

Evidential value of assessment list.

70. Subject to such alterations as may thereafter be made in the assessment list under the provisions of this Chapter and to the result of any appeal made thereunder, the entries in the assessment list authenticated and deposited as provided in section 69 shall be accepted as conclusive evidence—

(i) for the purpose of assessing any tax imposed under this Act, of the annual value or other valuation of all buildings and lands to which such entries respectively refer, and

(ii) for the purposes of any tax imposed on buildings or lands, of the amount of such tax leviable thereon during the year to which such list relates.

Amendment of assessment list.

71. (1) The Cantonment Authority may, at any time, amend the assessment list by inserting the name of any person whose name ought to have been or ought to be inserted, or by inserting any property which ought to have been or ought to be inserted, or by altering the assessment on any property which has been erroneously valued or assessed through fraud, accident or mistake, whether on the part of the Cantonment Authority or of the Assessment Committee or of the assessee, or, in the case of a tax payable by an occupier, by a change in the tenancy, after giving notice to any person affected by the amendment of a time, not less than one month from the date of service, at which the amendment is to be made.

(2) Any person interested in any such amendment may tender an objection to the Cantonment Authority in writing before the time fixed in the notice, and shall be allowed an opportunity of being heard in support of the same in person or by authorised agent.

Preparation of new assessment list.

72. The Cantonment Authority shall prepare a new assessment list every year, and for this purpose the provisions of sections 68 to 71 shall apply in like manner as they apply for the purpose of the preparation of an assessment list for the first time.

STATEMENT OF OBJECTS AND REASONS.

A Committee, which was appointed by the Government of India in January 1921 to consider what changes were necessary in order to introduce into the administration of cantonments the spirit of the reformed scheme of Government, recommended a complete revision and amalgamation of the Cantonments Act (Act XV of 1910) and the Cantonment Code, 1912, in order to bring into conformity with ordinary municipal law the system under which military cantonments are administered.

The recommendations of the Committee have now been examined by the Government of India and the conclusions arrived at are embodied in the Bill

The main features of the Bill are as follows:—

(*a*) It is proposed to take power to municipalise the government of those cantonments which contain a substantial civil population having no essential connexion with or dependence upon the military administration. In other cantonments where these circumstances do not fully exist the administration of cantonment affairs will be vested in the hands of the Commanding Officer of the Cantonment, who, for the purposes of the Act, will be constituted a corporation sole. The general effect will be that the Cantonment Authority will cease to be the purely executive agency of Government, which it is at present. In the larger cantonments the existing Cantonment Committee will be replaced by a Cantonment Board which will be municipal in character and an essentially local self-government body.

(*b*) The reformed Cantonment Authorities will have a separate legal persona, will be capable of suing and being sued in their own name and of making contracts. They will also be empowered to make bye-laws to govern local matters of administration which require different treatment in different cantonments

(*c*) The cantonment fund under the reformed system will be a local fund vested in the Cantonment Authority.

(*d*) In the reformed cantonments where a Board is constituted a proportion of the Cantonment Board will be elected representatives of the civil inhabitants of the cantonment. An official majority will, however, be maintained.

(*e*) The Cantonment Magistrate, as such, will be abolished. In his place an "Executive Officer" will be appointed. He will be paid by Government. He will perform, amongst other things, the duties of Secretary of the Board, and he will have no judicial powers or functions

(*f*) The Local Governments will exercise certain larger powers of superintendence and control over cantonment affairs than they do at present,

(*g*) The military authorities will retain certain special powers in matters affecting the health, welfare and discipline of troops.

DELHI:
The 17th March 1923. } E. BURDON.

The following Bill was introduced in the Legislative Assembly on the 27th March 1923:—

No. 14 OF 1923.

A Bill further to amend the Indian Evidence Act, 1872.

1 of 1872. WHEREAS it is expedient further to amend the Indian Evidence Act, 1872; It is hereby enacted as follows:—

Short title. 1. This Act may be called the Indian Evidence (Amendment) Act, 1923.

1 of 1872. Amendment of section 33 (3), Act I of 1872. 2. In clause (3) of section 33 of the Indian Evidence Act, 1872, for the word 'seen' the word 'read' shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

The object of the proposed amendment is to give effect to the ruling of the Allahabad High Court in Ghuru v. Chattrapal Singh reported in the Allahabad Law Journal, Volume XII, at page 239, to which I was a party. It would be unsafe to admit as secondary evidence merely oral account of the contents of the document from the lips of a man who has never read the document himself.

GIRDHARILAL AGARWALA, M.L.A.

Dated the 7th December 1922.

The following Bill was introduced in the Legislative Assembly on the 27th March 1923 :—

No. 18 of 1923.

A Bill further to amend the Indian Limitation Act, 1908.

IX of 1908.

WHEREAS it is expedient further to amend the Indian Limitation Act, 1908; It is hereby enacted as follows :—

Short title. 1. This Act may be called the Indian Limitation (Amendment) Act, 192 .

Amendment of section 19, Act IX of 1908. 2. In section 19 of the Indian Limitation Act, 1908 (hereinafter referred to as the said Act), the following amendments shall be made, namely :— IX of 1908.

(a) In sub-section (*2*), for the words "an acknowledgment" the words "a clear and unconditional acknowledgment" shall be substituted, and for the words "signed by" the words "signed and dated by" shall be substituted;

(*b*) sub-section (*3*) shall be omitted;

(*c*) Explanation I shall be omitted; and

(*d*) for Explanation II the following shall be substituted, namely :—

"*Explanation II.*—For the purposes of this section 'signed' means signed either personally or by an agent duly authorized in writing in this behalf."

Amendment of section 20, Act IX of 1908. 3. (a) For sub-section (*1*) of section 20 of the said Act, the following shall be substituted, namely :—

"where anything is paid either as interest or part of the principal of a debt or legacy before the prescribed period by the debtor or by his agent duly authorized in writing in this behalf, the entry as to such payment being signed and dated by the payer, a fresh period of limitation shall be computed from the date of payment."

(*b*) Sub-section (*2*) of the same section shall be omitted.

Amendment of section 21, Act IX of 1908. 4. In sub section (*1*) of section 21 of the said Act, after the word "authorized" wherever it occurs, the words "in writing" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

The object of the proposed amendments is to decrease litigation, perjury, forgery and fraud. At present many facts are required to be proved by oral evidence which the Courts may or may not believe and the result is always uncertain.

Under the proposed amendments, a clear and unconditional acknowledgment duly signed and dated by the person liable or by his agent duly authorized in writing will be required to extend time. Debtors should not be taken by surprise by an ambiguous or undated writing which might be used to extend the period of limitation.

In section 20, there is always a dispute whether the payment was made on account of interest as such. Under the amended section, part payment of principal and payment of interest have been placed on equal footing. Similar amendment has been made in section 21. Authority of an agent to extend time under any of the sections referred to in this Bill must always be in writing and not oral.

I hope the proposed amendments, if passed into Law, will considerably reduce litigation and the multiplicity of witnesses will be avoided.

GIRDHARILAL AGARWALA, M.L.A.

Dated the 7th December 1922.

The following Bill was introduced in the Legislative Assembly on the 27th March 1923 :—

No. 16 of 1923.

A Bill to provide for the prevention of deferred rebates and for the prevention of rate wars and resort to retaliatory or discriminatory practices in the Coastal trade of India.

WHEREAS it is expedient to provide for the growth of an Indian Merchant Marine by guaranteeing fair and healthy competition and by checking monopolies;

AND WHEREAS for this purpose it is expedient to provide for the prevention of the grant of deferred rebates to or resort to retaliatory or discriminating practices and for the prevention of rate wars by common carriers engaged in the coasting trade of British India; It is hereby enacted as follows :—

Short title, extent and commencement. 1. (*1*) This Act may be called the Prevention of Deferred Rebates Act, 192 .

(*2*) It extends to the whole of British India.

(*3*) It shall come into force on such date as the Governor-General in Council may, by notification in the *Gazette of India*, appoint.

Definitions.

2. In this Act, unless there is anything repugnant in the subject or context,—

(a) "a common carrier" means a common carrier engaged in the transportation by water of passengers or property between any two ports in British India or between any port in British India and any port or place in the Continent of India;

(b) "deferred rebates" means a return of any portion of the freight money by a carrier to any shipper as a consideration for the giving of all or any portion of his shipments to the same or any other carrier or for any other purpose, the payment of which is deferred beyond the completion of the service for which it is paid, and is paid only if, either during the period for which computed or the period of deferment or both, the shipper has complied with the terms of the rebate agreement or arrangement;

(c) "a subject" means a person and includes a corporation, partnership or association existing under or authorized by the laws of British India or of the dominions of princes and chiefs in alliance with His Majesty;

(d) "the coasting trade of India" means the carriage by water of goods or passengers; and

(e) "minimum rate" means a rate which covers cost of service and includes a fair return on capital invested after meeting depreciation and other essential charges.

Prohibition of deferred rebates and discriminating agreements.

3. No common carrier by water shall, directly or indirectly in respect to the coasting trade of India,—

(a) pay or allow or enter into any combination, agreement or understanding, express or implied, to pay or allow a deferred rebate to any shipper;

(b) retaliate against any shipper by refusing or threatening to refuse space accommodations when such are available, or resort to other discriminating or unfair methods, because such shipper has patronized any other carrier or has filed a complaint charging unfair treatment or for any other reason; and

(c) make any unfair or unjust discriminatory contract with any shipper based on the volume of freight carried or unfairly treat or unjustly discriminate against any shipper in the matter of—

(1) cargo space accommodations or other facilities, due regard being had for the proper loading of the vessel and the available tonnage;

(2) the loading and landing of freight in proper condition; or

(3) the adjustment and settlement of claims.

Governor-General in Council to decide whether deferred rebates or discriminating agreements have been resorted to.

4. The Governor-General in Council, without prejudice to the right of parties to move the Courts, upon his own initiative may, or upon complaint, shall, after due notice to all parties in interest and hearing, determine whether any person, joint stock company, corporation or association engaged in the coasting trade of India—

(1) has violated any provision of section 3, or

(2) is a party to any combination, agreement or understanding, express or implied, that involves in respect to the coasting trade of India a resort to deferred rebates and retaliatory or discriminating practices mentioned in section 3.

Power to Governor-General in Council to prohibit entry into ports.

5. If the Governor-General in Council determines that any such person, joint stock company, corporation or association violated any such provision or is a party to any such combination, agreement or understanding, he may thereafter refuse such person, joint stock company, corporation or association the right of entry for any common carrier directly or indirectly under his or its control, into any port of British India until the Governor-General in Council certifies that the violation has ceased or such combination, agreement or understanding has been terminated.

Common carrier to file copy of agreement with another common carrier.

6. Every common carrier shall file immediately with the Governor-General in Council a true copy or, if oral, a true and complete memorandum, of every agreement with another such carrier or modification or cancellation thereof, to which he may be a party or conform in whole or in part, fixing or regulating transportation rates or fares; giving or receiving special rates, accommodations, or other special privileges or advantages; controlling, regulating preventing or destroying competition; pooling or apportioning earnings, losses or traffic; allotting ports or restricting or otherwise regulating the number and character of sailings between ports; limiting or regulating in any way the volume or character of freight or passenger traffic to be carried; or in any manner providing for an exclusive, preferential or co-operative arrangement.

Carrier to file scales of maximum and minimum rates.

7. Every carrier shall also file with the Governor-General in Council a scale of maximum and minimum rates.

Rates filed not to be departed from.

8. No carrier shall depart from the scale filed in accordance with section 7, except with the approval of the Governor-General in Council. Whenever the Governor-General in Council finds that any rate or fare is unjust or unreasonable, it may determine, prescribe and order the enforcement of a just and reasonable maximum and minimum scale of rates and fares.

Reduced rates not to be increased without consent of Governor-General in Council.

9. Whenever a carrier reduces its rates on the carriage of any species of freight to or from competitive points below a fair and remunerative basis with the intent of driving out or otherwise injuring a competitive carrier by water it shall not increase such rates unless after a hearing the Governor-General in Council finds that such proposed increase rests upon changed conditions other than the elimination of said competition.

Power to Governor-General in Council to cancel or modify agreements.

10. The Governor-General in Council may by order disapprove, cancel, or modify any agreement or any modification or cancellation thereof, whether or not previously approved by him that he finds to be unjustly discriminatory or unfair as between carriers, shippers, exporters and importers or to operate to the detriment of the commerce of British India or to be in contravention of this Act and shall approve all other agreements, modifications, or cancellations.

Penalties.

11. Whoever violates any provision of this Act or refuses or fails to carry out the orders of the Governor-General in Council shall be liable to a fine of not less than ten thousand rupees or simple imprisonment to a term of not less than six months, or both.

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to remove some of the main obstacles that lie in the way of the development of an Indian Merchant Marine. They mainly consist of methods whereby a shipper is practically bound to confine all his shipments to vessels belonging to a particular shipping company or to the members of a shipping conference, and rate wars waged for stifling all competition by ruthless and unfair rate cutting. Not merely is the freedom of the shipper to ship his goods by any vessel he may choose thus destroyed, but the progress of trade along desirable channels is also checked. A "disloyal" shipper is penalised by (a) refusal of space, (b) discrimination in the contract of freight, (c) the loading and landing of freight, and (d) the adjustment and settlement of claims and various other discriminatory methods. It is the purpose of this Bill to do away with such practices so that an Indian Merchant Marine may grow unhampered.

T. V. SESHAGIRI AYYAR.

Dated the 27th January 1923.

The following Bill was introduced in the Legislative Assembly on the 27th March 1923 :—

No. 17 OF 1923.

A Bill further to amend the General Clauses Act, 1897.

WHEREAS it is expedient further to amend the General Clauses Act, 1897; It is hereby enacted as follows :— X of 1897.

Short title.

1. This Act may be called the General Clauses (Amendment) Act, 192 .

Amendment of section 3 (58) of Act X of 1897.

2. For clause (*58*) of section 3 of the General Clauses Act, 1897, the following shall be substituted, namely :— X of 1897.

"(*58*) 'sign' with its grammatical variations and cognate expressions shall mean the following with its grammatical variations and cognate expressions, namely :—

(a) with reference to a person unable to write his name, description and address, his left hand thumb impression, which can be clearly deciphered, attested by a witness before whose eyes the impression is taken, and

(*b*) with reference to a person able to write his name, description and address but unable to read and understand the document in question, his usual signature with description and address attested by a witness.

The witness referred to in this sub-section shall certify on the document that the executor is personally known to him and that the document had been read over and explained to the executant. Full name, description and address of the witness and date, time and place of execution and attestation shall also be given in the certificate."

STATEMENT OF OBJECTS AND REASONS.

Perjury, forgery and fraud have become so common in cases of illiterate witnesses and executants of documents that some safeguard is necessary, and hence the proposed amendment which speaks for itself.
